

Call for participation to: **COST Action FP1302**

WOOD MUSICK – WOODen MUSical Instrument Conservation and Knowledge

Aims and scope:

The aims of the Action (http://www.cost.eu/domains_actions/fps/Actions/FP1302) are to combine forces and to foster research on wooden musical instruments in order to preserve and develop the dissemination of knowledge on musical instruments in Europe through inter disciplinary research.

Topics of interests:

Organology, xylology, dendrochronology, music history, conservation techniques, restoration, wood sciences, mechanics, acoustics, musical instrument making.

Every person interested in the Action is asked to fill out and return the attached form to woodmusick@gmail.com and create an account on the COST website e-cost (http://www.cost.eu/domains_actions/fps/Actions/FP1302).

Call for papers

COST Action FP1302 opening conference

The Opening conference will be held on **27-28 February 2014 in Musée de la musique in Paris, France**. The goal of this conference is to bring together researchers and practitioners from different origins (academia, museum, handicraft and industry) from different background (organology, wood sciences, conservation, mechanics and acoustics) to focus on wooden musical instrument and establishing new collaborations in order to increase their knowledge and to use the COST networking tools (STSM, focused meeting).

The contribution to the opening conference will consist in a poster presentation of the projects and/or activities, equipment and/or expertise and interests in the COST Action FP1302 WOOD MUSICK.

Submission

Those who wish to attend the conference are kindly to send the following form filled out to woodmusick@gmail.com by 19 January 2014.

Authors of selected posters will be invited to the conference according the COST rules (<http://www.cost.eu/participate/networking>).

FORM for every person interested in COST Action FP1302

No more than 1 page

-- Name, First Name --

Laboratory name / Institution or Company name

Position (senior, PhD, ESR^{*i})

Contact name, email, address, telephone number

1. Activities, projects

Describe here your main activities or projects, in which you or your team is involved.
Detail your team if necessary.

2. Equipment and / or expertise

Describe your expertise.
Describe your facilities and / or collection in your institution or at your disposition through close collaboration.

3. Interests in COST Action FP1302 WOOD MUSICK

Wish to attend the conference and present a poster	Wish to attend the conference	Cannot attend the conference but is interested by the action
